MIAMI, Fla., April 1 (UP)—The U. S. crackdown on communist raids against Cuba won approval of senate leaders today but a defiant, newly formed anti-Castro group declared it would begin strikes at Soviet shipping from Mexico. Sen. Mike Mansfield, D., Mont., the senate majority leader, and Sen. Everett D. Dirksen, R., Ill., the minority leader, agreed that the hit-run raids might involve this country in conflict. Elite sources seemed determined to continue the struggle.

A spokesman for the group said it was a man-for-raids. A spokesman for the group said it was a man-for-raids. A spokesman for the group said it was a man-for-raids.

Commandos F. F. Operation Lobo told the Miami Herald that the group plans to operate heavily armed speedboats from Mexican coastal areas and attack Cuba-bound Russian vessels wherever they can be found.

The United States has pledged that Cuba will be free, the spokesman said, "but Cuba is not free because of the presence of the Soviet Union in its homeland without any apparent effort by the free world to fulfill the U.S. pledge."

Mansfield said there have been reports that, as a result of the raids, Fidel Castro "has shot the number of Cubans inside Cuba."

Other elite groups in Miami remain defiant, although the new group's propaganda discourages to much of the city's elite color.

"There is no strong underground or guerrilla movement in Cuba—despite what you hear," said Carlos Pagan, former schoolmate of Fidel Castro and now coordinator of the People's Revolutionary Movement.

His report came on the heels of a week-end crackdown on Miami's anti-Castro groups. Some 15 elite leaders were told they could not leave Miami county.

Mother Nature Has Her April Fool Joke

Mother Nature played an April Fool's day joke on Magic Valley residents as it was springing by covering the ground with snow. At noon Monday snow was still falling at Shoshone, Burley, Sun Valley and Galena. State highway department personnel at Shoshone said between eight and 10 inches of snow fell on the roads between Stanley and Challis with about two inches on other major roads in Magic Valley.

Department officials said snowplows were operating the roads between Stanley and Challis with about two inches on other major roads in Magic Valley.

Other areas reporting six inches of snow are Buhl and Caldwell with 47 inches of snow content at Buhl. About two inches is reported to have fallen at Jerome and Shoshone with 24 inches of snow content at Jerome. Wendell reported four inches.

The snowstorm started Sunday night after light rain.

Two inches of snow was reported in Twin Falls, Gooding, Burley and Rupert. Police at the Shoshone station said about one inch fell early Monday and highway 93 was closed at Shoshone and the port. About one inch also fell at Halley.

Sun Valley, six and one-half inches of snow were measured early Monday. One top of Baldy there are 49 inches of snow and 24 inches at Roundhead, making spring skiing good.

W. H. Gilbert, president of the Alto Brothers and Sons, a local furniture and engineering, said Sunday that if the railroads announce their new manpower rules, the company will represent 200,000 employees may resort to the exercise of economic strength in plain old language, a strike.

A 15-man committee headed by former President Dwight D. Eisenhower recommended that other things that railroads be allowed to top off some 40,000 jobs of firemen on freight and passenger trains.

U. S. Britain Submit Proposal

Owens, April 1 (UP)—The United States and Britain submitted to the 17-nation disarmament conference today a summary of their proposals for a treaty to ban nuclear testing.

They urged the Soviet Union to negotiate on the broad issue, but Soviet Delegate Vyacheslav Molotov ignored the summons and restated the Soviet position that three on-site inspections are not enough to check on suspected treaty violations.

Reds Maul

HAIGON, South Viet Nam, April 1 (UP)—A large communist unit, estimated to be 10,000 men, is moving south from Haigou, 100 miles east of Saigon, and is mauling the forces of the South Vietnamese government.

New York's 114-Day Newspaper Strike Ends; Presses Rumble

NEW YORK, April 1 (UP)—New York City's 114-day newspaper strike has ended with the roar of high-speed presses and the busy sounds of 19,000 newspaper workers returning to work.

A series of labor disputes had shut down the papers for nearly four months and cost the city's economy an estimated 250 million dollars. News-hungry inhabitants of this news-making city bought up the papers almost as fast as the presses could print them.

Normally, 5 1/2 million copies are printed daily, but the sale of today's editions was more than brisk.

"I never saw papers so fast in my life," said a Bronx news dealer. "It was passing them out."

Two morning papers—the Times and Herald Tribune—returned to the streets Sunday night at double their pre-strike price. The papers said greatly increased costs forced a rise from 8 to 10 cents, the first increase since 1946.

The other morning papers—the Journal News and the Mirror—remained at a nickel. The afternoon papers retained their pre-strike prices—10 cents for the Journal News and 8 cents for the Mirror.

The newspaper shutdown—longest and costliest in the city's history—began Dec. 8 with a strike of printers. It ended Sunday when 20,000 photoengravers—members of the last of three unions that joined the strike—returned to work.

Only four of the city's nine major papers actually were struck—the Times, News, World-Telegram and Sun and Journal-American. The Post, Herald Tribune, Mirror, Long Island Press and Long Island Star-Journal suspended publication voluntarily.

On March 3, the Post left the ranks of the publishers and returned to work. For the next 27 days, it has printed and sold 750,000 copies a day, more than double its normal circulation.

Small Budget Nip Seen by Solons

WASHINGTON, April 1 (UP)—House and Senate leaders today said they expect to pass a budget bill in the next few days.

The House bill, H.R. 1019, was introduced by Rep. Charles McNichols, D., N.Y., and the Senate bill, S. 1019, was introduced by Sen. Charles McNichols, D., N.Y.

The House bill provides for a 10 percent increase in the federal deficit for the fiscal year that begins July 1.

His view contrasts with those of former President Dwight D. Eisenhower and other Republican leaders who contend Kennedy's monetary policy has led the nation into a recession.

On March 1, the Post left the ranks of the publishers and returned to work. For the next 27 days, it has printed and sold 750,000 copies a day, more than double its normal circulation.

Guatemala's New Chief Warns Foes, Appoints Cabinet

GUATEMALA CITY, Guatemala, April 1 (UPI)—Col. Enrique Peralta Azurdia, Guatemala's new strongman, named a cabinet today and warned "extremists" against seeking to take advantage of current political confusion.

The government of President Miguel Ydigoras Fuentes without resistance late Saturday in a classic example of the Latin American palace coup. Ydigoras was permitted to flee the country and go into exile in neighboring Nicaragua by Peralta, his former defense minister.

On arrival in Nicaragua, Ydigoras said nothing but praise for Peralta.

(In Washington, state department officials said they were watching the Guatemalan situation "very closely." Indications were that the U. S. is in no hurry to extend diplomatic recognition to the new regime. However, no official comment was immediately available.)

The coup appeared more aimed at ex-President Juan Jose Arévalo, a candidate for reelection in November, than Ydigoras. Arévalo, who has been in exile for 15 years, managed to slip back into Guatemala last week although Ydigoras threatened to arrest him as a "communist agent."

The Guatemalan armed forces, opposed to Arévalo's re-entry into politics, apparently helped any candidate Ydigoras might select to run against the popular leftist would be defeated in November. Hence the coup is not the elections and allow the military to run the country.

Peralta's new cabinet included in the key positions Col. Luis Maximiliano Serrano, Corzo, as interior minister; attorney Alfonso Herrera as foreign minister and attorney Jorge Lucas Caballero Lucas as finance minister.

A relative of Peralta, attorney Carlos Enrique Peralta Mendez, became minister of economy and labor. Colonel Peralta, authorized by the armed forces to assume the presidency and rule by decree, collected his cabinet and continue running the defense ministry.

Flores Plans Trip Back to Crash Scene

WHITEHORSE, Yukon Territory, April 1 (UP)—California pilot Ralph Flores plans to return soon to the frozen, British Columbia wilderness where he and a 21-year-old Brooklyn covey were killed 48 days on his way to water and raw courage.

Flores, 42, a native of Mexico who now lives in San Bruno, Calif., was released last night from the hospital where he had been recuperating since his rescue a week ago.

He left on a pair of crutches one foot from the trail, wrapped in bandages. Flores was taken to the home of friends, Mr. and Mrs. Norman Drayton, who had been waiting for him since his arrival here from California.

Flores said he planned to rest at the Drayton home until at least Thursday, but hopes to return to the crash scene "and see my diaries," plans to write a book on the ordeal.

Israel Chief Of Security Miffed, Quits

JERUSALEM, Israeli Sector, April 1 (UP)—Israel's long-time security chief has quit, apparently in a dispute with Premier David Ben-Gurion over what to do about the Gaza Strip.

The chief of security, Gen. Yigael Yadin, was working for the United Arab Republic.

Informal sources said Ben-Gurion, who is planning to attempt direct foreign policy by the cloak and dagger boss whose name still is concealed by rigid security precautions.

The premier also reportedly opposed direct action tactics against the Gaza Strip, along the lines of the kidnapping of Adolf Eichmann from Argentina. The security chief engineered that, and it had international repercussions.

Two alleged Israeli agents were arrested in Switzerland last month and accused of conspiring to kidnap a German military scientist employed by the U.A.R.

The independent, government post said Ben-Gurion did not agree with attacks in the Israeli press on the West German government for preventing the employment of its nationals in U.A.R. arms plants.

The premier held a security-cabinet responsible for the press campaign, the Post said.

Bonneville Power Administration Asks For Approval to Extend Service Area

WASHINGTON, April 1 (UP)—The Bonneville power administration today asked Congress for approval to extend its service area.

The agency was forced last year to spend \$22 million dollars worth of power-producing equipment for which it had no market.

Cardinal to Talk Despite Cuban Threat

BOSTON, April 1 (UP)—Richard Cardinal Cushing was to go to New York today despite reports two Cubans had entered the country to kill him for speaking against Fidel Castro.

The federal bureau of investigation (FBI) announced it had information about the reported plot.

"The FBI will take and has taken all the measures appropriate to the information it has," a spokesman said. He refused to comment further.

Two sources said the FBI had been notified that two Cubans had entered the United States from Mexico March 30 to kill or kidnap the cardinal.

The sources said the assassination was to take place "because he spoke out against Castro and helped raise one million dollars for the return of the Cubans from the Bay of Pigs."

Driver Gets 15-Day Term After Chase

Robert L. Ellison, 20, Malta, was fined \$100 and costs for driving while his driver's license was revoked and \$50 and costs for reckless driving by Twin Falls Police Judge Dale J. Adamson and sentenced to a total of 15 days in jail Monday morning. He was charged with reckless driving by both city and county authorities after a wild chase from Twin Falls at speeds over 100 miles per hour which ended when he was apprehended on a desert road in Jerome county.

Fugitive Is Caught After Street Chase

BOISE, April 1 (UP)—A 31-year-old Missouri man who disappeared last July shortly after his pregnant wife shot him in the back of the head in a lake was in custody today.

A policeman's memory of a face on an FBI wanted poster and a routine check of a car that had made an improper turn led to the capture of Charles Everett Smith.

He led officers on an eight-block chase through streets and alleys in the city of Boise, Idaho, but offered no resistance when he was cornered, hiding behind a hedge.

James H. Smith, 25, disappeared in October, 1958, after he had fallen into a river and apparently drowned. The couple was on a trip in Oklahoma.

But on July 17, 1962, fishermen found the body of a man in northeastern Missouri, near Kirksville. Authorities said he had received a heavy blow to the head and that she was seven months pregnant.

Smith disappeared and a federal agent said he was chasing him with unlawful flight to avoid prosecution.

Buhl People Warned on Fire Hazards

Buhl, April 1—The city ordinance which makes it mandatory for residents to clear brush and weeds to clear premises and vacant lots of weeds will be enforced in the interest of fire prevention, reports Tony Kirkland, city engineer.

Kirkland points out the ordinance emphasizes the necessity to a property owner, the city can cause a charge to be filed against such property and the cost and expense of burning weeds cleared can be assessed against the property. In addition, there is a penalty for violating the ordinance.

The fire official notes vacant lots particularly are a problem during the summer season when property owners permit weeds to grow and along with debris accumulated during the winter months, a fire hazard results.

Kirkland urged all residents to remove debris from their premises without burning if possible. However, where burning is necessary they should obtain a permit from the city engineer. There is no charge for a permit.

He pointed out in the residential district burning in an incinerator is permissible, provided the container is covered with a wire mesh or screen and the burner is located away from the structure. Burning of combustible material should be in a metal barrel in the district only in a fireproof incinerator.

As safety precaution, he noted a fire should never be left unattended and a gas cylinder or other water should be kept readily accessible.

Centennial Flight Slated By Air Force

W. H. O. (Bud) Person, air recruiter, has announced that the air force hopes to form a special "Centennial Flight" consisting exclusively of Idaho men.

Person said recruits will be flown to London, and back, May 31, from there, after most area high schools have completed their graduation exercises.

Proceedings of the recruits will be held during April and May. Men interested in joining the air force "Centennial Flight" may apply at the recruiting office, 142 Main avenue south, or phone 723-1681, collect.

Rulings on Area Cases Are Divided

BOISE, April 1 (AP)—Idaho's supreme court has ruled on a child support case, upholding a district judge's decision on one point but reversing the ruling in a second.

The cases came from the court of Judge Theron W. Ward, Twin Falls.

Judge Ward had relieved Clayton Embree, Twin Falls, of paying child support because his son had reached the age of 18 and was self-supporting. The high court denied Mrs. Ruth Embree's appeal, holding the "district court judgment was supported by substantial competent evidence."

However, the supreme court ruled the district judge erred in failing to grant Mrs. Embree reasonable attorney fees on appeal.

In another case, the supreme court ruled a slowly moving driver who has failed to give a turn signal at an intersection is equally liable if another driver attempts to pass him and has an accident with a third party.

The case under consideration grew out of an accident north of Heyburn on highway 30. The turning driver was Billy N. Smith, who was passed by a truck driven by Andrew Genszner. When Knight, turned to the left in front of the truck, which was stopped at a stop sign. The district court found Genszner guilty of negligence but dismissed the case against Knight. The supreme court held both were guilty of negligence.

Attending from Magic Valley will be Twin Falls County Probate Judge Zoe Ann Wamborn and Gooding County Probate Judge James P. Gossett. Others from Idaho are Bonneville Judge Mary Adams, Idaho Falls; Ada Judge William Smith, Boise, and Raymond Wootton, Boise, chief of the youth rehabilitation section, state board of health.

Judge Gossett is a member of the executive committee of the National Council of Juvenile Court Judges, which is sponsoring the institute. The meeting is the first of its kind for judges from the West.

Judges from seven western states, Alaska and Hawaii will attend the institute. There is no planned program for the institute and the flexible schedule will allow various workshop groups to develop whatever discussion is thought important.

The institute is planned after a similar meeting held last fall in Virginia.

Attempt to Kill Castro Reported
MIAMI, Fla., April 1 (AP) — An attempt to kill Cuban Prime Minister Castro at a spot where he often plays baseball on weekends was reported in a letter received by an exiled Cuban newspaperman.

A gun battle resulted and several persons were killed, said the letter, disclosed today by Reuters. Bona, formerly of the Havana newspaper El Cristal.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinking) took place.

Most amazing of all—results were astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dynal) — discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation 100. At all drug counters.

Rule Outlined On Licensing Dogs in T.F.

Requirements for licensing dogs were announced Saturday by City Clerk Constance J. Latta, who pointed out current dog licenses expire April 30.

New licenses are available at the city clerk's office in the city hall and cost \$4 for male or female dogs and \$2 for female dogs under 6 months of age.

Information needed from owners includes name and address of owner; name, breed, color and sex of dog; certificate of spaying if female; and certificate of inoculation for rabies. Mrs. Latta said if the dog has been licensed before, information on owner's license is on file at the city hall.

Requirements for the licensing regulation are dogs whose owners are nonresidents; temporarily in the city for more than 30 days; dogs brought into the city for participation of dog shows; and stray dogs found and used by blind persons.

Five or more dogs at least 6 months old are considered kennels and the owner, at his option, may secure a kennel license instead of an individual license for each dog. The kennel license is issued, the dogs will not be permitted off the kennel owner's premises and the kennel should be kept clean and sanitary at all times. The dogs should be restrained reasonably from annoying the neighborhood by barking, frequent and habitual barking or howling. Anti-barking vaccinations also are required for the kennel license and license fee is \$15.

Each dog is required to wear the license, on a collar at all times. The tag cannot be transferred from one animal to another and no refund will be made on any license fee because of a dog's death or because the owner is moving for more than 30 days out of the city.

All dogs 6 months of age and over are required to be vaccinated for rabies by a licensed veterinarian with anti-rabies vaccine at this age and every two years if the vaccine is the chick-embryo type. Other anti-rabies vaccine must be given annually. The rabies tag must be worn on the collar at all times.

Dogs will not be permitted at large between sundown and sunrise. Undesired dogs, those without anti-rabies tags and dogs running at large from sundown to sunrise will be impounded.

Impounded dogs will be released upon payment of the license fee, if the dog is not licensed; or cost of vaccination if the dog has not been vaccinated; and payment of impounding charges, including a \$3 fee, \$1 per day for keeping any dog, and \$1 for giving notice.

Impounded dogs will be kept not more than 72 hours. Dogs not reclaimed during this period will be destroyed or disposed of at the discretion of the poundmaster or dogcatcher.

The new license is made of 20-gauge yellow aluminum reinforced with a steel eyelet and is fixed to the collar with steel links.

NEW WAY TO BE SUDDENLY SLIM

Are you a woman whose figure is on the good side but might look perfect? You'll be thrilled by the new easy way science has discovered for you to become suddenly slim. If you're more than 10 pounds overweight, then this idea is not for you. If your weight problem falls within this range, then you can realize a new smoother figure today, without diet or exercise.

Suddenly Slim is an all-new kind of look-girdle constructed of science fibers. One startling innovation is the sheer nylon stiffened by a science process and cannot give or sag. It's a rubber band. A feathered mesh netting down each side of this girdle will contour your hips if they are a problem. The girdle itself is of a "wonder" Lycra spandex blend. It's a new power net consisting of nylon, acetate and spandex. It feels like nothing on but has such slimming strength. It gives you a figure everything that's possible with a foundation.

"Suddenly Slim" is the peak achievement of the designer, Betty, Oleg.

Today, let Mrs. Doris Fix, Carroll's, experience the difference. Allow her to show you how you can be "Suddenly Slim" — phone 721-5004, Twin Falls.

TWO SOLOISTS WITH THE SAME LAST NAME, but not related, Betty and Bruce Martin, will be featured when the Adelpian choir concert from the University of Puget Sound, Tacoma, Wash., appears at the First Methodist church in Twin Falls at 8 p.m. Friday. The choir, which has traveled for 30 years on spring tour, is directed by Dr. Bruce Rodgers. Last year the group toured the British Isles.

Adelpian Choir to Appear in Twin Falls Church Friday

The Adelpian choir from the University of Puget Sound, Tacoma, Wash., will present a concert at 8 p.m. Friday in the First Methodist church, Twin Falls. The appearance here is being sponsored by Dr. and Mrs. Paul Hueston, the church music committee and chancel choir.

Soloists will be Betty Martin and Bruce Martin, who are not related. Miss Martin will sing three folk songs and will accompany herself on the zither.

Martin, who has taken leading voice in the annual open workshop and recently was a semifinalist in the Metropolitan opera auditions, will sing selections from Mozart's "Don Giovanni" and Gounod's "Faust."

They were soloists when the choir toured the British Isles last year where their presentation of English, Scottish and Irish folk songs in the countries where they originated was enthusiastically acclaimed.

The choir is directed by Dr. Bruce Rodgers, director of the university's school of music. This is the 21st year the choir has been making annual tours and all but one of these have been in the West. They have appeared in Twin Falls several times, most recently at the First Methodist church Wednesday night.

YOUR BIRTHDAY and HOROSCOPE

MONDAY, APRIL 1—Born today, you have the desire and the capacity for leadership. Indeed, unless you are able to function in a group capacity, you are inclined to lose interest in whatever the project may be. Your ability for argument and persuasion is great, and you will probably be able to talk yourself into almost any position you want in time. But you must reckon with those last two words—"in time"—and curb your impetuosity.

You have originality of thought and can often come up with new, time-saving methods of operation. When you are interested in a thing, your drive is enough to carry it through to success. The trick, however, is to keep your interest high, for you are sometimes inclined to flag, particularly if co-workers are not cooperating.

Sympathetic by nature, you maintain a ready, listening ear and an open, helping hand for those who wish to tell you are not, however, one to be taken advantage of easily, for you have a knack of separating the fakes from the deserving. This may, of course, turn the fakes against you, but it will endear you to all the rest.

Among those born on this date are: Blanche, noted German actress; Frank Wallace, writer; Thomas S. Hall, American inventor and manufacturer. To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday star be your daily guide.

Tuesday, April 2—**ARIES** (March 21-April 20)—A day for rolling along in high gear. Plan important matters. Bring new plans and ideas into play.

Taurus (April 21-May 21)—A good day. Gains highly possible where logic and luck rest together. Investigate speculation possibilities.

GEMINI (May 22-June 21)—Get a definite action should bring immediate and favorable results. Stick to vital issues in daylong.

CANCER (June 22-July 23)—A day made for results, but you must go after them. Begin early and do not permit maximum effort.

LEO (July 24-Aug. 23)—Investigate possibilities for gain on all levels. Travel and social advancement may go together.

VIRGO (Aug. 24-Sept. 23)—It's a day that is not of personal importance to the background. Honor debts; give respect a boost!

LIBRA (Sept. 24-Oct. 23)—You can make giant strides toward a recently established goal. The wind blows in your favor. Take advantage of it and move pressing affairs toward satisfying ends.

SAGITTARIUS (Nov. 23-Dec. 22)—All should go as you wish. But don't neglect personal relationships in favor of business.

CAPRICORN (Dec. 23-Jan. 20)—Join with others in getting affairs vital to the concerned under way. Gains to be made—but not for the longer.

AQUARIUS (Jan. 21-Feb. 19)—Dealings with others should bring desired results. Best foot forward but avoid excessive compromise.

PISCES (Feb. 20-March 20)—Financial gains should be greater than expected. Avoid neglecting even the slightest detail.

Europeans Win Downhill Event as Harriman Cup Ski Races Come to Close

SUN VALLEY, April 1 (P)—Two European ski stars broke in front of United States competitors Sunday and won the giant slalom, the final event in the Harriman cup ski races at this southern Idaho resort. Jos Minisch of Switzerland, second in the downhill and slalom, won the giant slalom in 1 minute 48.5 seconds, third in the downhill and slalom of Jim Hengge, Lake Tahoe, Calif. And in the women's division, Barbi Hanneberger, Munich, Germany, won the race in 1:57.6, 2.8 seconds in front of second place Jean Seubert, Lakeview, Ore.

Mexico Leads Americans in Pentathlon

SAN ANTONIO, Tex., April 1 (P)—Mexico took a 10-2 point lead over the United States Sunday in the eighth international modern pentathlon by placing four men among the top 10 fencers.

The epee fencing was the second event of the five-event pentathlon. Horseback riding started the pentathlon Saturday. Pistol shooting is scheduled Monday. Four of the top 10 men in the pentathlon will represent their country in the Pan-American games.

G. Roberts Wins Stock Car Race

BRISTOL, Tenn., April 1 (P)—Olen (Fireball) Roberts gunned his 1963 Ford into the lead for keeps as laps from the finish Sunday and won the \$25,000 Southern 500 late model stock car race.

The Daytona Beach veteran turned the 200-mile around the Bristol International Speedway's one-half mile banked asphalt track in 3 hours 15 minutes, 2 seconds for an average speed of 105.1 miles per hour.

Though Roberts' speed was a record for the track, he finished only three seconds ahead of Fred Lorenzen, Elmhurst, Ill., who started in the pole position in his 1963 Ford.

A crowd of about 28,000 watched the race in sunny weather and saw the lead swap hands seven times before Roberts, who had lost the advantage to Lorenzen on the 32nd lap, regained it for good on the 44th.

Trailing Roberts, Lorenzen and Johnson at the finish were Rich and Petty of Handeman, N.C., in a 1963 Plymouth; Leo Roy Yantis of Jacksonville in a '63 Mercury.

Indonesia Hits Olympic Group

TOKYO, April 1 (P)—Indonesia's charge d'affaires in Peking charged Sunday that the International Olympic Committee is "imperialist in character," the New China news agency reported.

It said, "If the reactionaries do not want to have progressive countries at the Olympic games next year (in Tokyo), it signifies nothing, because we, progressive countries, will have our own games whose participants will include all countries opposing imperialism."

Heyman Trade May Be In Offing

LEXINGTON, April 1 (P)—All America Art Heyman of Duke said Sunday he has been advised by the National Basketball Association that he may be traded to the Cleveland Cavaliers.

Heyman said a Royals official told him Cincinnati was working on a deal that would send Lucas to the Knickerbockers in exchange for their draft rights on Heyman.

Low Burdette Shuts Out Orioles 2-0

By The Associated Press
Low Burdette, veteran right-hander who is aiming for a comeback with Milwaukee this year, pitched a 2-0 five-hit shutout for the Braves over Baltimore in Sunday's exhibition baseball game.

The 35-year-old Burdette worked the full nine innings at Miami and didn't issue a single base on balls. He struck out two and in only one inning did the Orioles get a runner past first base. That came in the third when the Orioles bunched three of their hits but failed to score.

John Orin, who had doubled, was caught at the plate trying to score on Mike McCormick's single to center.

Two homers by Joe Peplong and one by Hector Lopez highlighted a 17-hit attack as the New York Yankees whipped the Chicago White Sox 12-4 at Sacramento. The Los Angeles Dodgers cut short a Cincinnati ninth-inning rally and defeated the Reds 4-1 at Tampa as Ken McMullen drove in four runs with a single and two doubles.

Jack Weiss accounted for three RBIs on a single and homer to spark Detroit to a 6-3 victory over Minnesota at Orlando. A single to center with the bases loaded in the eighth by rookie Tom Brown drove in two runs and gave Washington a 4-2 triumph over St. Louis at Pompano Beach.

Any Hook fanned nine and allowed even hits in pitching the New York Mets to a 6-1 conquest of Kansas City at St. Petersburg. Hook, working the short game, yielded the A run on Warren Davis' homer in the third. The Mets now have won 13 exhibition games compared to 12 for the entire 1962 spring season.

Philadelphia edged Pittsburgh 4-3 in 10 innings at Clearwater. Boston beat the Chicago Cubs 3-1 at Scottsdale and Cleveland edged San Francisco 7-6 at San Diego.

In Sunday's other game Houston defeated the Los Angeles Angels for a 3-2 victory at Palm Springs.

Whelan Leading In Bowling Meet

BURLEIGH, N.Y., April 1 (P)—Don Whelan, Buffalo, who quit bowling for 13 years because he lost interest, fired a blistering 300 series to take the place in classic singles at the American Bowling Congress tournament.

Whelan, 35, put together games of 206, 208 and 206 to win. He had two open frames in third game.

JEROME, April 1 (P)—Quiet Jerry Engelbert, Jerome strong man, Sunday night, again cementing America's reached a new plateau in weightlifting with a 970-pound total.

FEELING THE PRESSURE, Jerry Engelbert, Jerome, shows strain in two of three weightlifting divisions on his way to a 970-pound total—a career best for the 24-year-old man. Above, Engelbert presses 315 pounds over his head and prepares to come out of a squat into a standing position with 290 pounds in the snatch. He followed up with 375 pounds in the clean and jerk in a semi-private exhibition at Jerome Saturday night. (Times-News photo)

White Captures Motorcycle Race

DAYTONA BEACH, Fla., April 1 (P)—Ralph White, San Diego, Calif., drove his Harley-Davidson at record-shattering speed Sunday and won the American Motorcycle Association's 22nd annual 200-mile road race.

The 24-year-old sophomore from San Diego State college was clocked at 71.676 miles per hour over a two-mile course laid out over the infield of Daytona International Speedway. This topped the record of 71.281 set last year by Don Burnett, Danvers, Mass., on a Triumph.

Part of the credit for the higher speeds was given to the shakedown which drivers were permitted to carry their machines for the first time.

Jerome Weightman Hits 970-Pound Total

first significant gain since a weight-lifting record set last year. His personal high of 356 pounds in the press and added 220 in the snatch and 375 in the clean and jerk.

Ironically, such a performance just two months ago—his last effort for total—would have sent Engelbert, winning to Sao Paulo, Brazil, as a member of the U.S. weightlifting entry in the Pan-American games. He is 240 at Pocatello in his last major try and was dropped to third place when the runner-up came in with a 960 total.

Before Sunday night's semi-private exhibition, Engelbert said, "This is the first time I've gone for total since Pocatello. I'm kinda looking forward to it. . . to see how much I can do."

Stoic and unemotional, Engelbert was obviously pleased with his Sunday effort. It marked the first time he had improved since he injured a knee in his left wrist in setting his all-time best of 360 pounds in the clean and jerk. He was especially cheered by his press results and the 290 snatch was within 10 pounds of his all-time best.

But more to his liking was the 375-pound clean and jerk. He ended his night's work with a try at 385 pounds—another personal best but finally dropping the barbell after getting their knicker.

"I can't do it tonight," he said quietly when the clatter of the dropping weights had faded out. "I'm talking myself out of it. But that gives me a 970 total—my best."

He said this marked the first time he had become hopeful about hurting his wrist.

"I hurt the tendon in my wrist the same night I hit 380," he said. "I know I can lift that right now," he added, pointing to the still assembled 385 weight, "but it's a mental block with me. An awkward block. I think I can start improving more rapidly again."

"I feel the wrist has kept me from hitting 1,000 pounds during the past year," he answered a question. For the layman, the U.S. runner-up in the Russian weightlifting competition last night, good. The weights felt light tonight.

Having missed the Pan-Am games by 10 pounds, Engelbert has nothing but in-line for the immediate future. His biggest snag recently hit 290 pounds in the three events by the Olympic game trials.

"I'll compete in the Idaho state tournament in Boise in June. I don't see anything big before or after that. The nationals will be held in Pennsylvania in May but I won't be able to go to them. I'm broke," he smiled.
